

### **REMARKS**

In the Office Action identified above, the Examiner objected to the specification; and rejected claims 23-29 under 35 U.S.C. § 112, second paragraph, as being indefinite. Applicants have amended the abstract and claims 23, 25, 26, 28, and 29. Applicants respectfully submit that no new matter has been added by these amendments.

Based on the following reasoning, Applicants respectfully traverse the Examiner's objections and rejections under 35 U.S.C. § 112.

#### **I. Objections**

The Examiner objected to the abstract and the title of the invention. Accordingly, Applicants have amended the title and abstract consistent with the Examiner's suggestions. Therefore, Applicants respectfully request the Examiner to withdraw the objections to the abstract and the title of the invention.

Further, the Examiner requested a definition of the word "telop" as used in the specification. "Telop" is a contraction of "television opaque projector" and generally means a device by which a user can insert characters or figures on a display, such as a television. Alternatively, "telop" can refer the displayed characters or figures themselves. Applicants have also attached some examples of the use of the term "telop" for the Examiner's convenience. Accordingly, Applicants respectfully request the Examiner to withdraw the objection to the specification.

#### **II. Rejection of claims 23-29 under 35 U.S.C. § 112**

Regarding the rejection of claims 23-29 under 35 U.S.C. § 112, 2<sup>nd</sup> paragraph, Applicant has amended claims 23, 25-26, and 28-29. Applicant submits that the pending claims sufficiently indicate the metes and bounds of the invention. As a result,

Claims 23-29 fully comply with the requirements of 35 U.S.C. § 112, 1<sup>st</sup> paragraph and are thus allowable. Applicants accordingly requests withdrawal of that rejection and allowance of the claims.

**III. Conclusion**

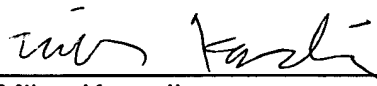

In view of the foregoing amendments and remarks, Applicants respectfully request reconsideration and reexamination of this application and the timely allowance of the pending claims.
